

Best Western Conference Planner 2019 with New MICE Offers

The Best Western Conference Planner 2019 has been published: The catalog for seminars, meetings, conferences and events presents on more than 200 pages the manifold MICE offers of about 100 Best Western Hotels from Germany, Switzerland and Slovenia. This year for the first time, the conference planner will be bilingual and will provide some new information for event organisers.

Eschborn (Germany), November 12th, 2018. Newly published under the title "Conference Planner 2019": The new catalog for seminars, meetings, conferences and events of the hotel group Best Western presents on more than 200 pages the offers of about 100 conference hotels from Germany, Switzerland and Slovenia. For the first time, the Conference Planner presents all contents in two languages, so that important information on the MICE offers, the hotels and the conference service is displayed in German and English. The Conference Planner 2019 bundles all details around the MICE (Meetings, Incentives, Conventions, Events) offers of the conference hotels as well as the services of the Best Western conference service. The catalog includes conference hotels in large areas such as Berlin and Munich as well as locations in the countryside with sports and wellness facilities for all types of events, from small board meetings to seminars and major events such as conferences and congresses. In total, the hotel group offers conference capacities of around 1,000 rooms for participants ranging from ten to over 1,000 people. "The new Conference Planner 2019 shows the diverse conference possibilities and provides an overview of the conference capacities, supporting programs and possibilities of our hotels," explains Marina Christensen, Head of Sales Best Western Hotels Central Europe GmbH. "Our biggest goal: conference guests should feel at home with us and their event should be successful. Event organisers know how important reliable hotel partners are. With our tested quality standards, we guarantee the security that a conference customer expects," says Christensen.
